PHONE: 705-386-1999

PASTOR: Lisa Frank

ACCOMMODATIONS/RENUMERATION:

- Free room and board if required
- An honorarium at the end of the placement

PRACTICUM: Leadership Development

DETAILS:

H.H.C.F is a non-denominational church with Pentecostal theology. We value the presence of the Holy Spirit and encourage the gifts of the Spirit. As a church we are forward-looking with an expectation of the Holy Spirit's outpouring in our church and community.

As a student developing leadership abilities, you would be working with the Senior Pastor to develop a book study curriculum and use it to facilitate a mid-week small group. Using your experience, you can be creative while being able to bring home the necessary points. This will require the student to manage his/her time wisely and spending certain hours in the church office.

Depending on the skill set of the student, there are opportunities to work with our Media Team, worship team, and/or children's ministry.

PRACTICUM: Youth Pastor

DETAILS:

H.H.C.F is a non-denominational church with Pentecostal theology. We value the presence of the Holy Spirit and encourage the gifts of the Spirit. As a church we are forward-looking with an expectation of the Holy Spirit's outpouring in our church and community.

As a graduating student of youth ministry, you would be developing and implementing a new youth program in keeping with Holy Spirit's leading. Under the guidance of the senior pastor, you would begin with our current youth to create a youth experience that will grow. The ultimate goal of this youth group is to have a group of teens who really love Jesus and experience the power and presence of Holy Spirit.

The best candidate for this would be a student who:

- has a love for worship, is able to lead in worship
- has a growing ability to teach the word in a way that leads 'today's' youth into an experience with Jesus
- has an understanding of the cultural challenges for today's youth
- who is fun-loving and charismatic, able to plan events and follow through
- would like to work alongside the pastor and be mentored into the pastoral role
