

Do you have a passion for education and a deep love for Jesus?

Westside Academy, a K-12 Christian Independent School in beautiful Prince George, British Columbia, is seeking Educational Assistants.

At Westside, we live out our mission of "Bringing redemption to culture through character transformation and intellectual development" every day.

We offer a supportive environment, excellent working conditions, small class sizes, and a community that believes in helping students walk the path God has set for them.

This educational assistant would be required to work one-on-one with students with diverse needs as well as help teachers during small and whole class instruction, under the direction of the Inclusive Education Coordinator and classroom teachers.

The right candidate has experience working with children, and a desire to integrate Biblical principles into everything they do.

If you love the Lord, desire community and collaboration both in and beyond the classroom, and want to use your God-given talents to help young people grow into the citizens God desires them to be, please email a resume, cover letter, and statement of faith to:
