

## Summer Student Ministry Internship

Onoway Baptist Church is offering an exciting opportunity for a Student Ministry Intern from May to August 2025.

Onoway Baptist Church is located in a rural setting 30 minutes west of Edmonton, Alberta. We are active in our community trying to help others experience the love of God in Jesus, caring for each other and helping a hurting world. We are part of the North American Baptist family of churches.

The ideal candidate will be studying at a Bible College or Seminary, capable of leading worship, and have a passion for working with young people.

The Student Ministry Intern will be supervised and mentored by the Lead Pastor. The Intern and Pastor, along with other leaders in each area of responsibility, will work closely together to plan, organize and implement recreational and educational experiences for children, youth and their families. The pastor will oversee the Intern's job performance and development and give guidance and support.

The intern's practical time will be spent providing teaching and caregiving to youth in grades 6-12, collaborating with the children's ministry team to help with summer programming for children aged 5-10, working on special community building summer events, and preferably coordinating the worship ministry and musicians for the summer months, depending on skill set.

This internship is not only a platform for discipleship but also an opportunity to develop leadership, teaching, and teamwork skills while discerning your God-given aspirations and abilities.

If offered a full-time Student Internship Position with Onoway Baptist Church, the agreement is for up to 16 weeks of employment from May through August. The internship is a paid position with pay depending on what is available through Canada Summer Jobs wages subsidy. We are willing to help find housing if needed.
